

“Life Groups”

Our Life Groups ministry gives you an opportunity to “do life” with a small group of people (6-12 people) who share common interests and needs. Life groups meet regularly to encourage and support each other.

Our Life Groups value:

Biblical Integrity

- **We believe that we deepen our understanding of God and His will for our lives through studying the Bible.**

Authentic Community

- **We believe that life and faith in Christ is best experienced together in a safe, grace filled environment.**

Intentional Service

- **We believe God is calling, gifting and empowering men and women to love and serve our fellow human beings.**
